

EAN Subspecialty Scientific Panels / Members nominated by the Swedish Neurological Society

OLD

EAN SSP	first_name	last_name	title	mailing_dep_hosp	official_address_email
ALS and frontotemporal dementia	Peter	Andersen	MD, Prof	Umeå University Hospital - Department of Pharmacology and Clinical Neuroscience	peter.andersen@umu.se
Autonomic nervous system disorders	Mikael	Elam	MD, Prof	Sahlgrenska University Hospital Department of Neurophysiology	mikael.elam@gu.se
Child neurology					
Clinical neurophysiology					
Coma and chronic disorders of consciousness					
Dementia and cognitive disorders					
Epilepsy	Elinor	Ben-Menachem	MD, Prof	Sahlgrenska University Hospital Department of Neuroscience and Rehabilitation	ebm@neuro.gu.se
General neurology					
Headache	Elisabet	Waldenlind	MD, Ass Prof	Karolinska University Hospital Huddinge Department of Clinical Neuroscience	elisabet.waldenlind@karolinska.se
Higher cortical functions					
Infectious diseases					
Movement disorders					
Multiple sclerosis					
Muscle disorders					
Neurocritical care					
Neuroepidemiology					
Neurogenetics	Martin	Paucar Acre	MD	Karolinska University Hospital Huddinge Department of Clinical Neuroscience	martin.paucar.acre@karolinska.se
Neuroimaging					
Neuroimmunology					
Neuro-oncology					
Neuro-ophthalmology and -otology					
Neuropathies	Rayomand	Press	MD	Karolinska University Hospital Huddinge Department of Clinical Neuroscience	rayomand.press@ki.se
Neurorehabilitation					
Neurosonology					
Neurotoxicology					
Neurotraumatology					
Pain					
Palliative care					
Sleep-wake disorders					
Stroke	Bo	Norrving	MD, Prof	Lund University Hospital Department of Neurology	bo.norrving@med.lu.se
Stroke	Tobias	Cronberg	MD, Ass Prof	Lund University Hospital Department of Neurology	tobias.cronberg@med.lu.se
Translational neurology					

NEW (please provide an application form as well as a CV for each panel member)

EAN SSP	first_name	last_name	title	mailing_dep_hosp	official_address_email
ALS and frontotemporal dementia					
Autonomic nervous system disorders					
Child neurology					
Clinical neurophysiology					
Coma and chronic disorders of consciousness					
Dementia and cognitive disorders	Christer	Nilsson	MD, Ass Prof	Memory Clinic, Skåne University Hospital	christer.nilsson@med.lu.se
Epilepsy					
General neurology	Tor	Ansved	MD, Ass Prof	Neurology Clinic Stockholm	tor.ansved@neuroclinic.se
Headache					
Higher cortical functions					
Infectious diseases					
Movement disorders	Per	Svenningsson	MD, Prof	Karolinska University Hospital Huddinge, Department of Clinical Neuroscience	per.svenningsson@ki.se
Multiple sclerosis	Jan	Lycke	MD, Prof	Dept of Neuroscience and Physiology, Sahlgrenska Academy,	jan.lycke@gu.se
Muscle disorders	Rayomand	Press	MD	Karolinska University Hospital Huddinge Department of Clinical Neuroscience	rayomand.press@ki.se
Neurocritical care	Tobias	Cronberg	MD, Ass Prof	Lund University Hospital Department of Neurology	tobias.cronberg@med.lu.se
Neuroepidemiology	Karin	Wirdefeldt	MD, Ass Prof	Karolinska University Hospital Solna	karin.wirdefeldt@karolinska.se
Neurogenetics	Martin	Paucar Acre	MD	Karolinska University Hospital Huddinge, Department of Clinical Neuroscience	martin.paucar.acre@karolinska.se
Neuroimaging					
Neuroimmunology	Anders	Svenningsson	MD, Ass Prof	Section of Neurology, Department of Medicine, Danderyd Hospital	anders.svenningsson@ds.se
Neuro-oncology	Anja	Smits	MD, Prof	Dept of Neuroscience, neurology, Uppsala university	anja.smits@neuro.uu.se
Neuro-ophthalmology and -otology	Frank	Träisk	MD	S:t Erik Eye Hospital, Stockholm	frank.trask@sankterik.se
Neuropathies					
Neurorehabilitation					
Neurosonology					
Neurotoxicology					
Neurotraumatology					
Pain	Ingela	Nilsson Remahl	MD, Ass Prof	Karolinska University Hospital Huddinge, Department of Clinical Neuroscience	ingela.nilsson.remahl@karolinska.se
Palliative care					
Sleep-wake disorders					
Stroke					
Translational neurology
